Good morning everyone! Welcome to Motivational Monday! My name is Elly Wufeng from class 751, and I will be speaking on behalf of the SEAL Team every Monday. The goal of Motivational Monday is to encourage and motivate everyone, so we can all start off the week with confidence and excitement.

And guess what? Today is the NATIONAL DAY OF ENCOURAGEMENT! This special day is dedicated to instigating and bringing positive impact to the people around us. Speaking of positive impact, the SEAL team has a fun and meaningful task for you- say something motivating to your classmates or teachers. This will not only brighten someone else's day but also yours!

That's it for this week's Motivational Monday, I will be back next week. But, before I go I would like to read the SEAL pledge-

We are the Dyker S.E.A.L. Team
Positivity is our dream
We teach it every day
To help others live the optimistic way
We learn to control our emotions and feelings
So we always have effective social dealings
No stone left unturned, no person left behind
Every member of our team has the power to be kind
We spread kindness to our friends, families, and those who need a smile
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile!

The SEAL Team and I all wish you a fun and productive week!! :)
