Happy Friday! I'm Rainie from class 731 and back for another S.E.A.L. Summary Friday.

We're wrapping up this week with a special message: A spooky holiday is just around the corner!

Halloween is a holiday celebrated each year on October 31st. The origins of this holiday date back all the way to the Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. Later, Pope Gregory the third would designate November 1 as the day to celebrate all saints. It was then dubbed All Saints Day and featured certain Samhain customs. All Hallows Eve, which was eventually renamed Halloween, was the night before All Saints Day. Halloween then evolved into what it is now, complete with trick-or-treating, costumes, sweets, Halloween parties, giving out candy to children, and carving jack-o-lanterns. Now, with that being said, what are you going to do this Halloween?
